REVISION COMMENTS Revised in accordance with Chemical (Hazard Information and Packaging) Regulations

REVISION DATE 1st September 2005 – Revision No. 2

This product is only to be used for the purpose for which it was intended and in accordance with the specified instructions. This product should never be mixed with other chemical products and should be handled with care and stored carefully out of reach of children.

All British Nova containers are recyclable and we would be pleased to provide relevant information about individual packs, and recycling agencies.

Information contained in this Safety Data Sheet is accurate to the best knowledge of British Nova Works Ltd.

Reviewed by the Technical Director : 1st September 2005

Important Note

British Nova accepts no liability for problems encountered when using its products alongside products manufactured elsewhere.

Because of our continuing desire to incorporate technical improvements and innovations, and in view of the possibility of the occasional need to substitute certain materials, British Nova Works reserves the right to alter specifications without notice.

Unless otherwise stated, it is recommended that this product is used within 12 months of purchase.
